

/// THE SHIFT TO VIRTUAL GO-LIVE

Optimum Healthcare IT has completed over 150 on-site training and go-live engagements. Since the outbreak of COVID-19, we have evolved our methodologies to deliver support, either on-site or virtually, as dictated by the needs of our clients. Optimum recently completed the industry's first successful Epic Go-Live using 100% virtual ATE support and feel this transition is the future of EHR go-live projects.

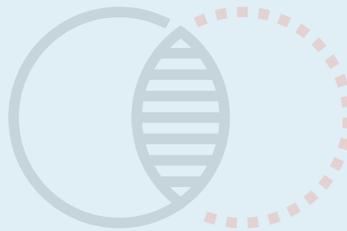

Optimum's goal is to provide the client with the same end-user experience.
